

Corporate Overview and Global Network

Taikisha is conducting business globally as an environment engineering company in two core business fields: the Green Technology System Business (Building HVAC and Industrial HVAC) and the Paint Finishing System Business.

Taikisha boasts the highest ratio of overseas sales by far in the Japanese construction industry, with 37 affiliates in 19 countries (as of September 30, 2020).

By adapting to the shift of Japanese companies overseas, Taikisha's global network of group companies contributes considerably to attracting orders for overseas projects (the ratio of overseas sales was 41.3% for FY2019).
