

Build the Future Air

Build the future air

Considering society in general as “Customers,” Taikisha is creating a comfortable environment today as always, in the hope of bringing happiness to all clients.

Taikisha plays an active role in all kinds of places, wherever people are, wherever air exists.

We hope to be at the service of as many people as possible.

We want to make more and more places comfortable.

We cherish these thoughts every day.

Tool Map

To Our Readers

Taikisha has been issuing integrated reports since 2021 to deepen the understanding of shareholders, investors, and a wide range of other stakeholders about the Company’s value creation from a medium- to long-term perspective.

In 2022, our long-term vision was reviewed in conjunction with the formulation of the new Mid-Term Business Plan, and the contents of this report were designed with the two major themes of the new Mid-Term Business Plan and the long-term vision. In preparing the report, we aimed to provide a better understanding of our Company’s efforts to create value through our past, present, and future. In addition, risks, opportunities, and specific initiatives are also described, regarding materiality.

This report is positioned as a communication tool that facilitates constructive dialogue with our stakeholders. The President and Representative Director and other members of the management team actively participated in the production of this report. The officer in charge of CSR oversees the production process.

Taikisha will continue to improve and enhance the Integrated Report through dialogue with stakeholders, and will strive to contribute to society and enhance corporate value.

United Nations Global Compact

Since 2020, the Company has been committed to the UN Global Compact corporate responsibility initiative and its principles in the fields of human rights, labor, environment, and anti-corruption.

Task Force on Climate-related Financial Disclosures (TCFD)

In December 2021, Taikisha declared its support for the TCFD recommendations. We plan to disclose information in accordance with the TCFD framework by April 2023.
